"Please Rise"

Stand about, stand aloof
Stand aside, stand apart
Stand back, stand away
Stand up

Stand over, stand to
Stand against, stand before
Stand with, stand alone
Stand in

Stand it out
Stand it out
Stand it out
Stand it out

Stand up, stand through
Stand down, stand around
Stand ready, stand inside
Stand me

Stand them, stand hurt
Stand strong, stand along
Stand reckless, stand [Incomprehensible]
Stand true

Stand it out
Stand it out
Stand it out
Stand it out

Stand down, stand down
Your shoulder to the sea
Stand down, stand down
Your shelter from the rain

Stand down, stand down
Stand beside your enemy
Stand over me
Stand over me

Stand down, stand down
Your shoulder to the sea

Stand down, stand down
Your shelter from the rain

Stand down, stand down
Stand beside your enemy
Stand over me
Stand over me
