(Kurt Wagner)

Bent the hose to stop the sprinkler  
Hosin' off the sidewalk  
What does it say  
Your fucking sunny day  
Is it not supposed to if and when  
The deep down bends  
But for a breath of wind  
And they're gone  
Didn't mind being what he tried to be  
Didn't mind seeing what he had to see  
Didn't mind needing what he didn't need  
Didn't mind agreeing they do agree  
It's so simple and so stupid  
Yet so steady are you ready  
Are you ready, are you ready  
I am not  
It's so simple and so stupid  
Yet so steady are you ready  
Are you ready, are you ready  
I am not  
Bent the hose to stop the sprinkler  
Hosin' off the sidewalk  
What does it say  
Your fucking sunny day  
It's so simple and so stupid  
Yet so steady are you ready  
Are you ready, are you ready
