The first time I met him
He had a Britney by his side
L was feeling dizzy
L tried to take him for a ride
L know we'll meet again some day
And then he won't resist me

L'm gonna get it right this time
Get it right this time
L ain't gonna make the same mistake
L'm gonna get it right this time

The Second time around I was feeling kind of down
So he gave me a helping hand
L heard a lousy song, but I couldn't really know
He was the singer in the band
L know we'll meet again some day
And then he won't resist me

L'm gonna get it right this time
Get it right this time
L ain't gonna make the same mistake
L'm gonna get it right this time

L'm gonna get it right this time
Get it right this time
L ain't gonna make the same mistake
L'm gonna get it right this time
