Tried to be a bitch for a day
Thinking that's the way to go
Turned into a creep and a bimbo
Still you didn't notice me
I might as well give in
And tell the world
That I am the invisible

Yeah
Can you hear me
Yeah
Do you fear me
You don't know what it's like
Well I do
'Cause I am the invisible girl

Even if my ride was a tank
You wouldn't see me come
The microscopic black leather outfit
Didn't even get it done
I might as well let go
And tell the world
That I am the invisible

Yeah
Can you hear me
Yeah
Do you fear me
You don't know what it's like
Well I do
'Cause I am the invisible girl

Yeah
Can you hear me
Yeah
Do you fear me
You don't know what it's like
Well I do
'Cause I am the invisible girl

What's a transparent girl to do
Maybe I try to much

L know, one day, I shall overcome
But until then

Yeah, can you touch me

Yeah
Can you hear me
Yeah
Do you fear me
You don't know what it's like
Well I do
'Cause I am the invisible girl

Yeah
Can you hear me
Yeah
Do you fear me
You don't know what it's like my friend
'Cause I am the invisible
'Cause I am the invisible
'Cause I am the invisible
