If there was a scale of stupidity  
L would be right on top, yeah  
Among the unbelievable naive  
It's a fact, I've become an icon

L had a crush and I got burned  
By a notorious liar  
But when he trashed his strat  
Like a true rockstar, I fell so hard  
Is that pathetic or what?  
Is that pathetic or what?

Tommy who? I can't recall  
It wasn't me I'm innocent, yeah  
Beam me up just let me disappear  
What if they knew, I regret it so much

L had a crush and I got burned  
By a notorious liar  
But when he trashed his strat  
Like a true rockstar  
I had a crush and I got burned  
By a notorious liar  
But when he trashed his strat  
Like a true rockstar, I fell so hard  
Is that pathetic or what?

He was so sexual  
It was so magical  
L was so tragical  
Ohh, yeah

But it was kinda fun though

L had a crush and I got burned  
By a notorious liar  
But when he trashed his strat  
Like a true rockstar, I fell so hard  
Is that pathetic or what?

But when he trashed his strat  
Like a true rockstar, I fell so hard

Is that pathetic or what?  
Is that pathetic or what?
