You took an oath to serve and protect
But these days seems like you forget
You like to be the king of the hill oh yeah
You got a pocket full of cash
Billystick is by your side
Does it really turn you on?
You go on breaking the rules
This time we watching you

That stupid uniform
Makes you live in denial
So caught up in the game
You can't afford to loose
That stupid uniform
Makes you live in denial
The truth will be heard
No matter what you do

In the movies your so nice
Your supposed to do what's right
But it's always you that starts the fight

You go on breaking the rules
But this time we watching you

That stupid uniform
Makes you live in denial
So caught up in the game
You can't afford to loose
That stupid uniform
Makes you live in denial
The truth will be heard
No matter what you do

That stupid uniform
Makes you live in denial
So caught up in the game
You can't afford to loose
That stupid uniform
Makes you live in denial
The truth will be heard
No matter what you do
