

Lame Ducks "Best Friend"

Every now and then, when I see you at the station with
this hanging face.

You stand with a cigarette hanging from your mouth,
and have clothes like a dirty ho.

But still. I really don't care,
cause after all your my very best friend.

Do you understand what you mean to me?

Your like a friend who's playing in the game of life.

And I play the second guest in your life of glamour an
pity sides.

We're like a team in a league of reality games.

I've said it once, and I'll say it again.

You're my friend, and you should now...
