

Lame Ducks "Day By Day"

Visit "[Day By Day](#)" on MotoLyrics.com

Well, I don't wanna have control of my life.
I don't need plans, and I don't need advice.
Live my life, day by day.
I'll just have fun, and do it my own way.

I don't know what the future brings. Big decisions?
I can't tell how my life will be, so I live the moment.

If you wanna show me what my future brings.
Then you can show somebody else,

cause I don't give a shit.

Day by day, I live my life. Get the fuck off!
I'll do it my own way.

I don't wanna know what you think is best for me.
I can make a decision myself.
I don't need your fucking advice.
No! I don't intend to make plans for the next 40 years.
I just wanna have fun today.
