Baby I need your lovin', baby I need your lovin'  
Although you're never here, your voice I often hear  
Another day another night, I long to hold you tight  
'Cause I'm so lonely

Baby I need your lovin', got to have all your lovin'  
Baby I need your lovin', got to have it all baby

Some say it's a sign of weakness for a man to beg  
Then weak I'd rather be  
If it means having you to keep  
'Cause lately I've been losing sleep, baby

Baby I need your lovin', got to have all your lovin'  
Baby I need your lovin', got to have it all

Empty nights echo your name, name  
Well sometimes I wonder will I ever be the same?

When you see me smiling  
You know that things have gotten worse  
Any smile that you might see has all been rehearsed  
And darling I can't go on without you  
This emptiness won't let me live without you  
This loneliness inside darling makes me feel half alive

Baby I need your lovin', got to have all your lovin'  
Baby I need your lovin', got to have all your lovin'  
Baby I need your lovin', got to have all your lovin'  
Baby I need your lovin', baby I need your lovin'  
I need your lovin'
