Sugar pie, honey bunch
You know that I love you
I can't help myself
I love you and nobody else, no

In and out my life
You come and you go
Baby, leaving just your picture behind
And I've kissed it a thousand times

Baby, when you snap your fingers or wink your eye
I come a-running to you
I'm tied to your apron strings
And there's nothing that I can do, no, no no baby

Sugar pie, honey bunch
I'm weaker than a man should be
Oh girl, I can't help myself
I'm a fool in love you see

I wanna tell you, I don't love you
Tell you that we're through
And I've tried but every time I see your face
I get all choked up inside, ooh

When I call your name
Girl, it starts the flame
Burning in my heart
Tearin' it all apart
No matter how I try
My love I can't deny, oh

Sugar pie, honey bunch
You now that I'm weak for you
Oh, I can't help myself
I love you and nobody else

Now baby, think better, sugar pie honey bunch
I'll do anything you ask me to
Oh girl, I can't help myself
I want you and nobody else

Sugar pie, honey bunch
You know that I love you
Girl, I can't help myself
I want you and nobody else, nobody, nobody else
