You've given me a true love
And every day I thank you, love
For a feeling that's so new
So inviting, so exciting

Whenever you're near
I hear a symphony
A tender melody
Pulling me closer
Closer to your arms

Then suddenly
Your lips are touching mine
A feeling so divine
'Til I leave the past behind
I'm lost in a world
Made for you and me

Whenever you're near
I hear a symphony
Play sweet and tenderly
Every time your lips meet mine

Baby, baby
You bring a joy within
Don't let this feeling end
Let it go on and on and on

Baby, baby
Those tears that fill my eyes
I cry not for myself
But from those who never felt the joy we felt

Whenever you're near
I hear a symphony
Each time you speak to me
I hear a tender rap so deep of love

Baby
As you stand holding me
Whispering how much you care
A thousand violins fill the air

Baby, baby
Don't let this moment end
Keep standing close to me
Ooh, so close to me

Baby, baby
I hear a symphony
Baby, baby
I hear a symphony

Everytime you're close to me
I hear a symphony
Everytime you're close to me
I hear a symphony
