Now if you feel that you can't go on  
Because all your hope is gone  
And your life is filled with much confusion  
Until happiness is just an illusion  
And your world around is crumbling down

Darling, reach out  
Reach out for me

I'll be there  
With a love that will shelter you  
I'll be there  
With a love that will see you through

When you feel lost and about to give up  
And your best just don't seem good enough  
And you feel your world has grown cold  
And your drifting out all on your own  
And you need a hand to hold

Well, darling, reach out  
Reach out for me

And I'll be there  
To love and comfort you  
I'll be there  
To cherish and care for you  
I'll be there  
To always see you through

I can tell the way your hanging your head  
You're alone now, and baby, you're afraid  
And through your tears, you look around  
But there's no peace of mind to be found  
I know what you're thinking, you're alone now, no love  
of your own

But darling, reach out  
Reach out for me, just look over your shoulder

And I'll be there  
With a love that will see you through

I'll be there  
To love and comfort you

I'll be there, baby  
To love ya, I'll place no one above you

Hey, just reach out, girl  
Reach out, reach out for me
