Through the mirror of my mind
Time after time
I see reflections of you and me

Reflections of
The way life used to be
Ooh reflections of
The love you took from me

Oh, I'm all alone now
No love to shield me
Trapped in a world
That's a distorted reality

Happiness that you took from me
You left me alone with only memories
Through the mirror of my mind
Through the tears that I'm cryin'
Reflects the hurt, I can't control

And although you're gone
I keep holding on
To those happy times
Girl when you were mine

As I peers through my window
For my lost time
Looking over my yesterdays
And all the love I gave in vain

All the love that I've waisted
All the tears that I've tasted
All in vain

Through the hollow of my tears
I see a dream that's lost
From the hurt
That you have caused

Everywhere I turn
Seems like everything I see
Reflects the hurt

I can't control girl

In you I put
All my faith and trust
Right before my eyes
My world has turned to dust

Reflections of
The love you took from me, girl
Reflections of
The way life used to be

In you I put
All my faith and trust
But the right before my eyes
My world has turned to dust

I'm giving reflections
Yeah you and me
I'm having reflections
The way used to be

Reflections
You and me
Reflections
Oh it used to be
