My hands are stained red  
A pair of finger loose fists  
This is, this is my handshake  
This is what I carry around  
What I meet you with  
This is my work

I am a bloody girl  
A soul as black as hell  
This is, this is my home  
This is where I live and die  
From where I welcome you  
This is my heart

Come closer  
Please come closer  
Come sing the songs of high and  
Come sing the songs of low and  
Come closer  
Please come closer  
Come closer  
Please come closer
