We take a walk
The sun is shining down
Burns my feet as they touch the ground

Good day Sunshine (x3)

I need to laugh
And when the sun is out
I've got something I can laugh about
I feel good in a special way
I'm in love and it's a sunny day

Good day Sunshine (x3)

And then we lie beneath the shady trees
I love him and he's loving me
He feels good
He knows he's looking fine
I'm so proud to know that he is mine

Good day Sunshine (x8)
