And... my heart  
Running on a... rivierance  
I've been because I'm gone  
In the flash of... your pretty cameras,  
Pretty cameras, pretty cameras  
Am I glamorous, tell me am I glamorous

Chorus:  
Hello hello!  
Can you hear me?  
I can be your china doll  
If you wanna see me fall  
... you're so doll, your love is deadly  
Tell me life is beautiful they all say I have it all  
I'm nothing without you  
All my dreams are...  
Nothing without you

Sometimes nice and...  
In my life... for is  
Come civilize my world  
Burn into my brain... images  
... images stolen images  
... what in lfie we could've lived

[Chorus:]

... two kids just tryin to get out  
... I feel american dream  
... is it loud  
When we... nothing is what it seems

[Chorus:]

I'm nothing if I can't have you
