Baby, you're my Buggy Malone and I'm your suicide
blonde,
You can be my film noir star I'm your queen of Saigon
If they don't think we're good together, baby, just
forget 'em
And let bygones be bygones

Baby, I can't do it alone, 'cause you're the one that I
want,
You can be my Tony Montana and I can be your Pfeiffer,
Fire, I can take you higher, I could get you hooked on
love and desire.

Hello, pretty baby, you can be my cherry pie,
I know what you've done, and I can be your alibi.

So tonight, are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die boy, it's either live or die.
Are you gonna be my lover?
Are we gonna be true love suicide?
It's either live or die boy, it's either live or die.

And I'm running and I'm running and I'm just for fun,
Murderin' them, murderin' them one by one,
It's either live or die boy, it's either live or die.

So tonight, are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die boy, it's either live or die.

Baby, you're Sylvester Stalone and I can be your
Adrienne,
Got the lipstick on, enduring to say my name again,
say my name again, say my name again.

Baby, I can't do it alone, 'cause you're the one that I
want,
You can be my Tony Mantola and I can be Mariah,
Tiger, scream a little higher, I can get you high on love
and desire.

I sense Bonnie and Clyde was two kids
So good at being bad, bad, bad.
I?m flirting with the check-out counter, baby,
Put the money in the bag.

So tonight, are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die boy, it's either live or die.
Are you gonna be my lover?
Are we gonna be true love suicide?
It's either live or die boy, it's either live or die.

And I?m running and I?m running and I?m just for fun,
Murderin' them, murderin' them one by one,
It's either live or die boy, it's either live or die.

So tonight, are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die boy, it's either live or die.

Would you kill for me? Would you die for me?
Put your hands where I can see them,
Put them in the air.

So tonight, are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die boy, it's either live or die.
Are you gonna be my lover?
Are we gonna be true love suicide?
It's either live or die boy, it's either live or die.

And I?m running and I?m running and I?m just for fun,
Murderin' them, murderin' them one by one,
It's either live or die boy, it's either live or die.
