There' s this perfect girl
Someone noone can see
She dwells in the shell
Of this other me
And there's this perfect girl
To look you'd never tell
She's living inside the shell
Of this other me

In the place where my heart
And soul were meant to be
All you can hear are the
Waves of the sea
In the place where life and
Love are meant to dwell
All you can see is the
Broken shell of this perfect girl
The she i was meant to be
Dying in the shell of this other me

All that i hate
All that i see
All that i am
And never wanted to be

All that i hate
All that i see
All that i've become
Some of the things i have one

Listen close where my heart
And soul are meant to be
All you can hear are the
Waves of the sea
In the place where life and
Love are meant to dwell
All you can see is the
Broken shell of this perfect girl
The she i was ment to be

And there's this perfect girl
To look you'd never tell

There's this perfect girl
There's this perfect girl
Living inside the shell
Perfect girl
She never was me
