Well i have been puppetized
Oh how i have compromised
But definitely
Everything's changed - somehow
I'm different now
Drifting from girl who tries
Misconstrued
Shifting to woman wise

CHORUS

Ooh i'm the woman who
Can undo quite a few
Things done wrong (and)
Wrong things done
So long overdue
Ooh i'm the woman whose

CHORUS

Ooh i'm the woman who
Can undo quite a few
Things done wrong (and)
Wrong things done
So long long overdue
Ooh i'm the woman whose
Three wishes come true
Fell in two found the one

Now i come and go as i choose
Wearing my red magic shoes

BRIDGE

With my soul in my heart

Familiar flickers of self-doubt

What i'm all about
From understudy in the dress rehearsal
To the lead in a role reversal
As my impossible dream debuts

I'm the woman who's
Got the read magic shoes

CHORUS:

Ah ha oh
Ooh i'm the woman who...
