Verse 1:

Work my fingers to the bones
Learn to live to forget and let go
Sometimes the faces of the past come back
It gets easy to ignore
When hope has been restore

Chorus:

So now I,
I can sing in the rain
I can love without pain
I can live everyday
With these Beautiful, beautiful things
Finally feel my heart beating
Let my lungs breath deeply
All my tears turned to dreams
Of beautiful, beautiful things

Verse 2:

Temptation holds the key
To what you think you want or need
Well it takes a stronger man to stand
And learn from the past
But never go

Bridge:

Regretful heartbreaks
Well it shatters the soul
But after tearful mistakes
A mournful heart may grow
And then let go
