"Crystal Ball"

we both were together for the weak and
we both knew that soon this would end
we were right and now its over
we both grew with our patch of clovers
but we have grown apart at last
your body's art

chorus:

please tell me im not dreamin anymore
im not sure ive been awake or
this is too good to be true
you are my crystal ball of wonders
you are my lovely..whoa

now after months of being at distance
now in the word it is only past tense
now our lives are ?? put in stone
now i can tell what you want cause' of your tone
i love your hair
we're the perfect pair
cuz we both care..yeahh
and we wont dare
to let us tear

chorus (x2)
