Verse 1:

Hear the notes they're ringing  
Through the air I'm breathing  
I think I've heard this song before  
In my head, In my head  
Feel the room it's swaying  
Slowly dancing with me  
I fall asleep to the words  
In my head, In my head

Verse 2:

Sweet redemption find me  
Hold me, keep me, blind me  
With the truth of Your love  
In my head, In my head  
Lead me to the still steams  
Where my heart breaks then bleeds  
Then let peace heal the wounds  
In my head

Chorus:

Here's my heart, Here's my heart  
Search every part  
And know me well and  
Change me deeply  
Here's my heart, It's dying to start  
Clear all the dark broken pieces and  
Make me whole again

Verse 3:

Feel the sun it's rising  
Gently, warmly finding  
My soul whispering the words  
In my head, In my head  
Slowly stir from dreaming  
My heart joins in this singing  
Loud and deep calling out  
In my head

Bridge:

One step, then another  
Shatter all I am to bring me closer to you (x2)
