It seems so long ago but the memories never die
Sometimes they burn holes inside
Of the back of my mind
Uncovering the faces of those
Loved and lost on the way
And sadly only strangers
Now remain, in their place

So would You stay
Could You please stay with me
Stay would You please
Stay with me

Sometimes a warm heart may stay for awhile
Hoping it's forever like an innocent child
But every story has an ending
And that's the way that it goes
But your adventure is still waiting
Even if ya have to go alone

Would You stay
Could You please stay with me
Stay would You please
Stay, stay, stay with me

So this is it
Here's another farewell
Can I quite and become someone else
It's all right to say goodbye
It just get lonely sometimes

So would You stay
Could You please stay with me
Stay could You please
Stay, stay, stay with me

Stay
Could You please stay with me, stay
Stay with me
Stay could You please
Stay, stay with me
Stay could You please

Stay with me
Stay with me
Stay with me
