I said, "Don't go"
I said, "Don't leave"
But you wasted all my time
Pretending you were mine

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this
So I said, "Screw it, eh, eh"

I said, "Hold on"
You said, "Something's wrong"
And you wasted all your lies
I thought we were fine

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this

And it's been a while
I'm still on fire, I'm not tiring
You're just a liar
I'm just a buyer of your badness

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better

It's a let down, heartbreak
Fast breath, slow ache

It ain't gettin' no better than this

It's a let down, heartbreak
Fast breath, slow ache
It ain't gettin' no better than this

It ain't getting better, better than this
It ain't getting better, better than this
It ain't getting better, better than this
It ain't getting better, better than this

Better, better than this
