

Charlotte Sometimes "How I Could Just Kill A Man"

Visit "[How I Could Just Kill A Man](#)" on MotoLyrics.com

Go get your ribbon box
Go get your wounded heart
Seeing spiders, I'm told they never lie

Go get your brother love
Go get your losing head
Seeing fire, I'm told it never burns

I want it all, I pull you back, I want it all

Cry baby, cry baby, cry
Soaking down your
Cry baby, cry baby
And you can't understand how I could just kill a man

No to your letters love
No to unsturdy hands
Sleeping eyes, I'm told they never lie

No to your key of rust
No to raging words
Sleeping tires, I'm told they never drive

I want it all, I pull you back, I want it all

Cry baby, cry baby, cry
Soaking down your
Cry baby, cry baby
And you can't understand how I could just kill a man

And if I wanted to stay, you won't stand in my way
But I'm choosing to leave with your heart on my sleeve
It feels too good without you

So cry baby, cry baby, cry
Soaking down your
Cry baby, cry baby
And you can't understand how I could just kill, kill

Cry baby, cry baby, cry
Soaking down your
Cry baby, cry baby

And you can't understand how I could just kill a man
