Be the winner you always were,
Don't you, don't you dare lose.
Be the humble girl you are
Don't cry in strangers cars.
La La Goodnight.

I'm awake and I've been losing sleep.
I've been fighting all my demons,
I've been getting weak cause I've been
Trying, trying, trying to be
Anything other than me.

Be the star you know you are,
Don't you, don't you dare fail.
You can own that balance beam
Two steps forward towards make believe.
La La Goodnight

I'm awake and I've been losing sleep.
I've been fighting all my demons,
I've been getting weak cause I've been
Trying, trying, trying to be
Anything other than me. [x2]

What a silly dream,
Oh silly, silly me,
To think I had a handle on this.

When I know, I know I lose
I know, I know I lose.
We both know,
We both know that...
I know, I know I lose
I know, I know I lose.
We both know,
We both know that...

I'm awake and I've been losing sleep.
I've been fighting all my demons,
I've been getting weak cause I've been
Trying, trying, trying to be
Anything other than me...

Anything other than me,
Anything other than me,
Anything other than me
