I feel just like no one knows me
Better well than oh-so-lonely
You don't see why I still paint the sky
I am silent, so inspired
Contradiction, pretty liar
You don't see why I still paint the sky

But if I run away would you stop me,
If I fight too hard would you drop me
No matter what I do,
Tell me, you will see it through
Who said it's easy to love anyway,
It's not easy to love anyway,
Anyway...

I know I'm not close to perfect
Puzzle pieces but together worth it
Come on see why I still paint the sky
I feel just like you'd forget me,
Walk away like you never met me
So they don't see why I still paint the sky

But if I run away would you stop me,
If I fight too hard would you drop me
No matter what I do
Tell me you will see it through
Who said it's easy to love anyway,
It's not easy to love anyway

I try not to give in
But my heart always wins
So if you want my love
Show me I'm in love
It's not easy to love anyway,
I'm not easy to love anyway,
Anyway...

But if I run away would you stop me,
If I fight too hard would you drop me
No matter what I do
Tell me you will see it through

Who said it's easy to love anyway,
It's not easy to love anyway,
Anyway...
