Here I am,
Gullible
For now.
Here I am,
A solid box for now.

This is only for now
But I'm not so sure.
Seems the bugs hit my windshield
More than ever before,
Spinning doubt
Spinning doubt
Spinning doubt
You know that you want to

Here I am, insecure for now.
This is only for now
But I'm not so sure.
Seems the bugs hit the windshield
More than ever before,
Spinning doubt
Spinning doubt
Spinning doubt
I know that you want to
You know that you want to

The smell of the matches
The weight of this floor
The way that your hair says
You don't need me anymore.

I know that you want to
You know that you want to

This is only for now
But I'm not so sure
Seems the bugs hit the windshield
More than ever before.
