I want the moon and the stars
I want the whole nine yards
I want your hands on my hips
I want you kissing my lips

I want the moon and the stars
I want the whole nine yards
I take off your shirt
You pull up my skirt

And I can't wait forever boy

And the moon and the stars
And look in your eyes
Better find it's way into me
And your skin on my skin
And the bones that we're in
Better slide your way into me

I want the moon and the stars
I want the whole nine yards
I want your hands on my waist
There's no need to wait

I want the dance of the air
I want your hands in my hair
Releasing your breathe
As I undress

And I can't wait forever boy

And the moon and the stars
And look in your eyes
Better find it's way into me
And your skin on my skin
And the bones that we're in
Better slide your way into me

I want the moon and the stars
I want the whole nine yards
I want your hands on my hips
I want you kissing my lips

I want the moon and the stars
I want the whole nine yards
I take off your shirt
You pull up my skirt

And the moon and the stars
And look in your eyes
Better find it's way into me
And your skin on my skin
And the bones that we're in
Better slide your way into me
