She doesn't know  
Everybody loves her  
She doesn't know  
Everybody needs her  
She doesn't know  
Everybody wants her around  
Oh no

She's well-liked  
And that's not the start of it  
She's crying  
And steals every heart and  
It's not like she tries  
To be something she's not

She doesn't know  
Oh that they love her  
She doesn't know  
Oh that they need her  
She doesn't know  
Oh that they want her around  
Oh no

She calls in love  
And he makes a sole of her but  
She's strong enough  
Stands on her own two feet  
Oh that girl  
Can do anything

She doesn't know  
Oh that they love her  
She doesn't know  
Oh that they need her  
She doesn't know  
Oh that they want her around  
Oh no

She doesn't know  
Oh that I love her  
She doesn't know  
Oh that I need her

She doesn't know  
Oh that I want her around  
Oh no

She doesn't know  
Everybody loves her  
She doesn't know  
Everybody needs her  
She doesn't know  
Everybody wants her around  
Oh no

She doesn't know  
Oh that I love her  
She doesn't know  
Oh that I need her  
She doesn't know  
Oh that I want her around  
Oh no

Oh no
