Are you wondering  
wondering if I like you?  
Or are you wondering  
if I care at all  
Cause all that you're getting  
all that you're getting is glances  
and if you're lucky, a stare

I know I feed your desires  
to wear red lipstick and be dressed for the kill  
Yeah, I know I feed your desires  
Cause now you're murdering my soul

So you take off your glasses.  
And highlight your lashes  
and it's the beginning of a sad song  
You lower your collar  
I start to notice  
and it's the beginning of a sad sad song

Well, I know I feed your desires  
to wear red lipstick and be dressed for the kill.  
Yeah, I know I feed your desires  
Cause now you're murdering my soul

What have I created?  
A criminal with good intentions  
And all that you wanted was love.  
But I didn't notice  
and look where that got us  
Well, I've become shallow and still you have no trace of  
the very thing that you wanted

I know I feed your desires  
to wear red lipstick and be dressed for the kill  
Yeah, I know I feed your desires  
Cause now you're murdering my soul

I know I feed your desires  
to wear red lipstick and be dressed for the kill.  
I'm sorry I fed those desires  
because I've been murdering your soul
