"Jailbreak"

I'm breaking out
I'm breaking free
Tonights the night for me

I've waited for this for so long
4-3-2-1 and I'll be gone
Wait til the guard is fast asleep
Wait til the darkness covers me

I'm breaking out
I'm breaking free

[chorus]
For all the years I've cried
I'm satisfied tonight
In the dark
I'm planning my escape
Tell these crooked metal bars
Its a jailbreak
And i might die
Or i might fly away
But tonight is the night
Of the jailbreak

I couldnt find the key
So this spoon will have to do
I've got a naked poster
To cover up the hole when I'm through

Though all my friends for me
My chances don't look good
oh no oh oh oh oh

[chorus]

I'm breaking out

Tonight in the dark
I'm planning my escape
Tell these crooked metal bars
This is a jailbreak

And i might die
Or i might fly away
But tonight is the night
Of the jailbreak
