It's not my desire
It's not my choice
It's not intentional
I'm hypnotized by your voice

The same old thing
But always new
It's unbelievable how strongly I feel for ...towards you

It's more like magnetism
Than anything else, I can't fight, I'm pulled against my
will
It was not my decision
If you couldn't tell, it's more like magnetism
I can't even control myself

I cannot keep away
I feel the tension grow
It's getting stronger now
It's getting stronger now

It's getting stronger now
You're all I see
You have so much power over me...

It's more like magnetism
Than anything else, I can't fight, I'm pulled against my
will
Oh, it was not my decision
If you couldn't tell, it's more like magnetism
I can't even control myself...
Myself...

It's more like magnetism
Between you and me, I can't fight, I'm pulled against
my will
Yeah, my appetite to coincide with you
Grows stronger every night, and I can't fight
magnetism
You know, I can't even control myself
Ooooh...
Myself

Oooh...
