Please don't do what I say
'Cause if you don't love me it's worthless anyway
Please don't trouble yourself
You'll only go away in the end

Please don't follow all my commands
'Cause what's the point in that?
And I keep hoping that all of your plans
Will fall through the roof

Like two ships passing in the night
We're gone
Only the moon and the stars in the sky
Did know to cry for me as I sailed on

Please don't trouble yourself
I only want your love
You keep giving me your help
Oh, please stop playing along
You know you're wasting your energy
And you're breaking my heart
Like two ships passing in the night
We're gone
Only the moon and the stars in the sky
Did know to cry for me as I sailed on

Oh, I can just see it now
You're recklessly in love
Your heart's pouring over

Oh, I can just see it now
You're coming around

Like two ships passing in the night
We're gone
Only the moon and the stars in the sky
Did know to cry for me as I sailed on
Sailed on
Sailed on
