Run

Is this to be our fate

Hide

Freedom is ours as we escape

We walk in the shadows

We do

Find out what we all know

Our time is near

If this is the way it ends

Don't tell me it's meaningless

There'll be no compromise

We fall in we too shall rise

You held me and taught me how

I think I am ready now

If this is the way it ends

This is the way it's meant to be

We will be spilled in blood

And this is the way that they'll remember us

Emerge from the shadows we will

Emerge from the shadows

This is the way it ends

Don't tell me it's meaningless

There'll be no compromise

We fall in we too shall rise

You held me and taught me how

I think I am ready now

If this is the way it ends

This is the way it's meant to be

Under my skin they fade away

Here's to life with no regrets

See you again all one day

Give me love or give me death

Can anyone ever really say

This is the way it ends
This is my life begins
If this the way it ends
Nothing is meaningless
There'll be no compromise
We fall in we too shall rise again

If this is the way it ends
Then this is the way it's meant to be
This is the way it's meant to be
