I don't know why I do what I
I don't know why I do what I do
It feels so good to me

I guess that's why I do what I
I guess that's why I do what I do
'Cause it feels good to me
And it's right there for the taking

With a hammer and a nail a man left to die
With a hammer and a nail I eat this coconut
Yeah, it's true

I'm looking at the sunset wondering, 'So what?'
The Tinman's got nothing on me
Heart, I hope you wake up soon

I don't know why I feel like I should change
I don't know why what I need and what I want
Can't be the same things, oh

I don't know why I don't miss my friends
I don't know why I cannot comprehend
How special love can be
And it's right there for the taking

With a hammer and a nail a man left to die
With a hammer and a nail I eat this coconut
Yeah, it's good

I'm looking at the sunset wondering, 'So what?'
The Tinman's got nothing on me
Heart, I hope you wake up soon

The Tinman's got nothing on me

With a hammer and a nail a man left to die
With a hammer and a nail I eat this coconut
Yeah, it's good

I'm looking at the sunset wondering, 'So what?'
The Tinman's got nothing on me

Heart, I hope you wake up soon, please
