Aching to siphon your senses,
I'm on the outside and peeking in.
Listen to the gut feeling,
It leaves me reeling and reels me in.

Get me free
There's a world out there,
Waiting for us all,
I believe.

And my mind wonders to destiny,
It's rivers long.
And mountains tall,
And meant to be.

Chorus
I'm turninig me in,
You turn me out.
My original sin
I can't do without

In honesty
2's company
It's plain to see
2's company

Hard to believe it
,I heard it was coming
But I wont be running
I'll stay this time

Got a new focus,
It's called understanding
I'm hearing the music
Here in my mind

And my mind wonders to jealousy
Where rivers stop
And mountains fall
Into the sea.

Chorus
