Every time I lose my self control
It seems like I can't let you go
I'm at the point of no return
Don't ever wanna come back down

I'm up so high above the ground
This feeling I will always yearn

Drifting away, I'm flying
I'm gonna head for paradise
Nothing to say, I'm climbing
I wanna stay right here tonight

Drifting away, drifting away

Now I've got you inside of me
I take the opportunity
To keep on going with the flow
Don't ever wanna come back down

I'm up so high above the ground
I hope this feeling never goes

Drifting away, I'm flying
I'm gonna head for paradise
Nothing to say, I'm climbing
I wanna stay right here tonight

Drifting away, drifting away
Drifting away, drifting away
Drifting away
