How can I tell you  
That I love you  
I love you  
But I can think of right words to say  
I long to tell you  
That I'm always thinking of you  
I'm always thinking of you  
But my words just blow away  
It always ends up to one thing honey  
And I cant think of right words to say  
Wherever I am babe,  
I'm always walking with you  
I'm always walking with you  
But I look and you're not there  
Whoever I'm with  
Im always, always talking to you  
Im always talking to you

But I'm sad that you can't hear  
So sad that you can't hear  
It always ends up to one thing honey  
When I look and your not there  
I need to know you  
Need to feel my arms around you  
Feel my arms around you  
Feel my arms around you  
Like i see around the shore  
Each night and day I pray and hope that I might find  
you  
Hope that i might find you  
Because hearts can rule no way  
It always ends up to one thing honey  
Still I kneel upon the floor.
