[feat. regine velasquez recorded by lani misalucha for kris aquino's album]

Many nights we've prayed
With no proof anyone could hear
In our hearts a hopeful song
We barely understood

Now we are not afraid
Although we know there's much to fear
We were moving mountains long
Before we knew we could oh yes

There can be miracles, when you believe
Though hope is frail, it's hard to kill
Who knows what miracles you can achieve
When you believe, somehow you will
You will when you believe oh yeah

In this time of fear
When prayers so often prove in vain
Hope seems like the summer birds
So swiftly flown away

Yet now I'm standing here
My heart's so full I can't explain
Seeking faith and speaking words
I never thought I'd say

There can be miracles, when you believe When you
believe
Though hope is frail, it's hard to kill
Who knows what miracles you can achieve You can
achieve
When you believe, somehow you will
You will when you believe

They don't always happen when you ask
And it's easy to give in to your fears oh
But when your blinded by your pain
Can't see your way straight through the rain
A small but still, resilient voice

Says love is very near Yeah Yeah

There can be miracles miracles
When you believe lord when you believe oh ho
Through hope is frail through hope is frail
It's hard to kill it's hard to kill oh oh
Who knows what miracles you can achieve
When you believe ooh ooh
Somehow you will
Somehow you will
You will when you believe

You will when you believe
Just believe Just believe oh yeah
You will when you believe
