Married at 16, 2 kids by 21  
But he couldn't take it  
Now she's raisin' them on her own  
Between the bills and the laundry

Sometimes she's so lonely she cries  
But she's found an escape  
From some of the achin' inside

She's got a radio heart  
She loves the songs they play  
They take him off her mind

She's got a radio heart  
It helps fill an empty space he left behind  
She gets lost in a steel guitar

Oh, it's her way out when the heartache starts  
She's found a little salvation in a local station  
She's got a radio heart

She'll finish clearin' the table

And put the kids off to bed  
She tries to watch an old movie  
But she thinks of him instead

She lies alone in the dark  
And stares at the lighted dial  
She gets into the music  
And out of this world for a while

She's got a radio heart  
She loves the songs they play  
They take him off her mind

She's got a radio heart  
It helps fill an empty space he left behind  
She gets lost in a steel guitar

Oh, it's her way out when the heartache starts  
She's found a little salvation in a local station

She's got a radio heart

She's got a radio heart
