Sometimes when life's poison arrows shoot me to the
ground

Dreams come fallin' down, friends just can't be found

I don't worry, I don't wonder, I know what to do

I don't go crazy, I just go for you

Surround me with love, I need you beside me

I want you to hold and hide me

When this world is closin' in on me

Surround me with love, oh and I can make it

Whatever comes, you know I can take it

Just as long as you surround me with love

Who can say what comes tomorrow, what the future
holds?

What lies down the road, heaven only knows

But one thing I know for certain, one thing that's true

One thing I'm sure of is I need you

Surround me with love, I need you beside me

I want you to hold and hide me

When this world is closin' in on me

Surround me with love, oh and I can make it

Whatever comes, you know I can take it

Just as long as you surround me with love
