Hey baby, how have you been?  
Yeah?  
CoolÂ...  
Me, IÂ've been fine  
Well, actually not really  
IÂ've kind of had a rough time lately

See, IÂ've been thinking Âbout you every day  
Yeah, every time I pass that spot in the pavement  
Where we scratched in both our names  
Yeah, I know youÂ're probably still mad about the way I  
ended things

Just think it might be time to get back together  
It might be time to admit we were wrong  
Ok, I was wrong  
I could not find anything better  
So IÂ'm crawling back to say  
It might be time  
It might be time

Oh really  
You are seeing someone new  
Who is he? IÂ'll kill himÂ...  
Hey, come on IÂ'm kidding  
But does he make you happy?

Does he think about you every day  
Just like I have ever since the girl I left you for  
Showed me where to find the door?  
Come on now baby, IÂ'm just joking again

Just think it might be time to get back together  
It might be time to admit we were wrong  
Ok, I was wrong  
I could not find anything better  
So IÂ'm crawling back to say  
It might be time  
It might be time

I know that itÂ's a Â"go backÂ"  
And that they never work

I know that it's a "go back"  
And that I've been a jerk  
I won't be a jerk...
