I hear you know about a special place  
And that you're sailing sometime soon  
Ponce de Leon, I'm getting old  
Take me with you, I could use that fountain

In my career you need to look your best  
I can't afford some baggy eyes  
Ponce de Leon, please don't say no  
Take me with you, I could use that...

Fountain of youth  
I could use more time  
Fountain of youth  
To start over my life

Do you have an idea what a plastic surgeon costs these days?  
Do you know what a pain that it is to exercise?  
When you're on the go? When you're getting old?  
Mr. Leon, I could use that fountain

I will do my best to be useful if aboard your pretty ship  
I'll swab the decks, I'll do whatever's needed  
Ponce de Leon, you are the bomb  
Take me with you I could use that...

Fountain of youth  
I could use more time  
Fountain of youth  
To start over my life  
Fountain o'  
Fountain o'  
I need to be younger  
Fountain o'  
Fountain o'  
Help me, I need water

Ponce de Leon, take me with you  
I'm afraid of getting old

Youth, youth, youth...
