You want to know if I want to go  
To another one of Jackie's parties  
To hang around with a bunch of clowns  
Gazing at their shoes and acting arty

Let's not and say we did...

I cannot, I can't deal with it  
I cannot deal with it

I can practically hear them  
You want to know if I want to go  
I hear them shooting the shit  
Promote myself, to show and tell  
I can picture them sneering at  
Back stabbing, how gouache  
Each other's weak attempts at wit  
I don't think so  
I know, I know

Let's not and say we did...

I cannot, I can't deal with it  
Cannot deal with that thing

Let's just hide out and be boring  
Let's just hide from everything  
I'm in no mood to go whoring  
To keep grabbing the brass ring

Can't possibly...

You think I would meet someone who could  
Help me get my somewhat leftfield art out  
Get on the scene, you never know where things lead  
You gotta go to Jackie's weekly party, man

Let's not and say we did...

Let's not, I can't deal with it  
I cannot deal with that thing
