Lately Iâ€™ve been thinking about you
Up in a cloud
Been seeing your face
I been hearing your inimitable laugh

Always seeing the humor
Even in tough circumstance

Itâ€™s hard
We need you for this one
So hard
Of all the situations

Youâ€™d have just the right thing to say
Compare this to some films
That speak about lifeâ€™s randomness
Jean Luc Goddard meets â€œHusbandsâ€œ

Make us feel a little better
About your early departure

Youâ€™d put things in perspective
In difficult circumstance

Itâ€™s hard
We need you for this one
So hard
Of all the situations

Not to have you around
But maybe I know how now
Just have to think about, the words
That would come out of your mouth

Itâ€™s hard

So hard
Of all the situations

Yeah, youâ€™d say, â€œYeah, itâ€™s hardâ€œ
â€œBut Iâ€™ll see you on the other sideâ€œ
â€œOh yeah, Itâ€™s hardâ€œ

“Just keep me in your mind...”

It's hard
Of all the situations
Of all the situations...
