Caught, it seems
In a cycle that Iâ've seen
One million trillion times before

Yeah, bought, then released
>From â"You will be the next big thingâ"
To Ma insisting I should study law

You think itâ's funny?

So funny I forgot to laugh
So funny I forgot to laugh
So funny I forgot I used to laugh some

Itâ's irony
âCause making jokes is my main thing
Iâ'm not supposed to write this song

But lately Iâ'm feeling just like others have been
feeling
Thick skins can only hold so long

You think itâ's funny

So funny I forgot to laugh
So funny I forgot to laugh
So funny I forgot I used to laugh some

So funny I forgot to laugh
So funny I forgot to laugh
So funny I forgot how to â"Ha haâ"

I need to get my sense of humor back
I need to make some people laugh
I donâ't like making people cry
Or think that my whole life
Ainâ't turning out so right

You think itâ's funny?

So funnyâ...

So funny I forgot to laugh
So funny I forgot to laugh
So funny I forgot how to Â“Ha haÂ”
