You never stand out

Lift your face
Change your everything

Spread make up on their faces

They'll like it

They'll much prefer the new you
They'll much prefer the new you
The new you
So much better than the old you

Hip hip hooray! Hip hip hooray!
Three cheers for the modern you
Hip hip hooray! Hip hip hooray!
Three cheers for the modern you
Hip hip hooray! Hip hip hooray!

I like it

I much prefer the new you
I much prefer the new you
I much prefer the new you
I much prefer...
