You want in?
You want in?
Listen, Kid...

You're sick and tired of not being "happening"
You're sick of tired of trying to fit in
So you bought a new car
Whitened your teeth
Cut out your carbs
But still looking weak
You're sick of feeling like life's a no win

Well, step back, step back, step back, you're...
Not in, not in the door so...
Step back, step back...it probably do you some good

Yeah, relax, relax, relax, you
Don't even like what they're for
Step back and ask why the hell that you do

Want in?
Want in?
Want in the door
Want in?
Kid, are you sure?
Once you're in
It ain't much at all

Not that I know so much what it is like to be in
I've spent my life with a pick in the lock
But if you can't do
Might as well teach
And if you can't teach
Might as well teach gym
Yeah, if Woody's right
I can teach you some things

Step back, step back, step back, you're...
Not in, not in the door so...
Step back, don't act...just learn to breathe in

Yeah, Relax, relax, relax, just

Repeat, repeat the mantra
Just chant, you shan't remember why that you did...

Want in?
Want in?
Want in the door
Get in
Kid, are you sure?
Once you're in
It ain't much at all
Once you're in

Step back, step back, step back
You want in?
Relax, relax, relax...
