Sidewalk slide  
I just want a ride  
Electric city lights the scene  
The color of your eyes  
Faux Brazil  
Sunrise  
Emotion killed its all mine  
Mine all mine, yeah

Glowing skin  
Japanese skyline  
I was looking in for some love  
To cover me

Fade in  
Fade out  
Fade in  
Fade out

I was looking for some love to cover me

I was looking for some love to shower me  
Would you cover me with love?  
Cover me with your love  
Cover me with love  
Cover me with your love

Fade in  
Fade out  
Fade in  
Fade out

Sidewalk slide  
I just want a ride  
Electric city lights the sky  
Sidewalk slide  
Let it ride  
Electric city lights your sky
